PRELIMINARY & FINAL REGISTRATION

No entry forms will be available for registering to this event. The registration process has to be done using the World Archery Online Registration System (WAREOS, V.2)

The number of athletes that may be entered by a Member Association is limited to three (3) in each category.

In order to use WAREOS, please enter this address in your internet browser www.archery.org/admin and use the Username and Password that World Archery has assigned to your Member Association. After entering the WAREOS, please go to "Online Registration" and register your archers for this event.

A "WAREOS User Manual" can be downloaded in PDF format (English and Russian) from the same website.

For any question regarding WAREOS, please contact Mr. Matteo Pisani at matteo@pisani.eu

Starting date of online-registration with WAREOS is:

03 February 2014

End of Preliminary registration:

21 April 2014

End of Final registration:

1 July 2014

Please pay attention to the stated deadlines. After the deadlines have passed, MAs will not be able to enter or update data in WAREOS anymore, as the system will be blocked. In this case, if any MA would like to change or proceed with the Final registration process after the deadline, it is required to contact the Organizing Committee at nune200707@rambler.ru or rsarg@mail.com and Mr. Matteo Pisani at matteo@pisani.eu (with the OC in Cc of that email).

The Member Association that will cancel Final entry in WAREOS after the 20 day prior the start of competition date (Final registration deadline), will have a penalty fee of 100 Euros per athlete registered, to be paid to the LOC upon arrival at the event.

The Member Association with Final registration in WAREOS that will differ by more than 4 athletes from the preliminary registration, will have a penalty fee of 100 Euros, to be paid to the LOC upon arrival at the event.

A Member Association that has made Final entry in WAREOS and does not participate will be invoiced for the number of entries entered in the system, unless the Member Association has informed the OC in writing at least one week

European Outdoor Championship Echmiadzin, Armenia, (ARM) 21 – 26 July, 2014

prior to the event that they are unable to attend.

Since entries will be made through WAREOS only, MAs declare that their athletes and officials are aware of the participation waiver and anti-doping agreement, and we recommend MAs to advise their athletes on this matter.

However, accepting the conditions of the athlete participation waiver and anti-doping agreement are an eligibility requirement to participate in the event.

As a final note, only member Associations in good standing will be eligible to compete. This also means that any penalty fee for 2013 and World Archery fee 2014 must have been paid prior to participation.
