## PRELIMINARY AND FINAL REGISTRATION

No entry forms will be available for registering in this event.

The registration process has to be done using the WA Online Registration System (WAREOS, V.2) (<http://register.worldarchery.org/>)

A maximum number of 6 athletes per country are allowed to be registered into each category of the event (the host country is allowed to register 8 archers).

Preliminary entries have to be done using the WAREOS, V.2:

In order to be able to use WAREOS, please enter this address in your web browser (<http://register.worldarchery.org/>) and use the Username and Password that WA has assigned to each Member Association. After entering the WAREOS, please go to "Online Registration" and register your archers for this event.

A "WAREOS User Manual" can be downloaded in PDF (English and Russian) from the same website. For any question or doubts regarding the use of WAREOS, please contact Mr. Matteo Pisani email: [matteo@pisani.eu](mailto:matteo@pisani.eu).

Starting date for online-registration with WAREOS is:	20 October 2014
End of Preliminary registration with WAREOS is:	20 December 2014
End of Final registration with WAREOS is:	05 March 2015

Please pay attention to the stated deadlines. After passing the deadlines, MAs would not be able to enter or update their data in WAREOS anymore, as the system will be blocked. In this case, if any MA would like to change or proceed with the Final Registrations process or change their Final entry, it is required to contact Mr. Matteo Pisani at email: [matteo@pisani.eu](mailto:matteo@pisani.eu) with a copy to Organizing Committee email [info@egp-marathon.gr](mailto:info@egp-marathon.gr).

Final registration that will differ for more than **2** archers according to preliminary registration will have a penalty fee of **€100** to be paid to the OC at the moment of arriving at the event.

Teams that enter after **05 March 2015** will pay a penalty of €100 per athlete to be paid to the OC on arrival for the tournament.

A Member Association which made entries in WAREOS and does not participate will be invoiced for the number of entries entered in the system, unless the MA inform WAE and the OC to email [info@egp-marathon.gr](mailto:info@egp-marathon.gr) at latest one week prior to the event that they are not be able to participate.

Since entries are through the WAREOS only, Member Associations declare that their athletes and officials are aware of the participation waiver and anti doping agreement. We recommend Member Associations to advise their athletes on this matter. However, accepting the conditions of the athlete participation waiver and the anti doping are eligible to participate in the event.

Only Member Associations in good standing will be eligible to compete. This also means that any penalty fee for 2014 and/or 2015 World Archery fee will have to be paid prior to this Grand Prix.
