Preliminary & Final Registration

For the European Championships the maximum number of athletes that may be entered by a Member Association is: Three (3) athletes in each category in each division, World Archery Europe constitution (art. 2.0.3).

Only Member Associations in good standing will be eligible to compete. This also means that any World Archery penalty fees owed for 2015 must have been paid prior to competition.

No entry forms will be available to register for this event: the registration process has to be completed using the World Archery Online Registration System (WAREOS V.2).

In order to use WAREOS please use this address in your web browser www.archery.org/admin and use the username and password that World Archery has assigned to your Member Association. After entering WAREOS, please go to 'online registration' and register your archers for this event.

A 'WAREOS User Manual' (English and Russian) can be downloaded in PDF format from the same website.

For any questions regarding WAREOS, please contact **Mr Matteo Pisani** at matteo@pisani.eu

- **Starting date of on-line registration with WAREOS:** **1 December 2016**
- **End of preliminary registration using WAREOS:** **12 February 2016**
- **End of final registration using WAREOS:** **29 April 2016**

Please pay attention to the stated deadlines. Teams will NOT be able to enter or update their data in WAREOS after the deadline, as the system will be blocked. Any teams wishing to make any changes to their final registration after the deadline, must contact Mr Matteo Pisani & the local organising committee.

Any Member Associations sending final registrations that differ by more than 2 athletes from the preliminary registration will result in a penalty fee of €100 to be paid to the Organising Committee upon arrival at the tournament. (Article 3.2 World Archery Europe Agreement).

Teams that enter after the final deadline will pay a penalty of €100 per athlete to be paid to the Organising Committee upon arrival at the tournament. (Article 3.3 World Archery Europe Agreement).

Any Member Association that has made final entries in the WAREOS system and does not participate with the number of entries entered in the system has to inform the OC by email European.2016@archerygb.org at least one week prior to the event that they are unable to attend.

Since entries are through WAREOS only, Member Associations declare that their athletes and officials are aware of the participation waiver and anti-doping agreement. We recommend Member Associations advise their athletes on this matter. However, accepting the conditions of athlete participation waiver and the anti-doping agreement are an eligibility requirement to participate in the event.

Nottingham: City Information

Social Programme Ideas

Once you have arrived, Nottingham will provide you with a limitless choice of social and leisure activities. A compact city centre means you will never have far to walk between venues and will find their way around with ease. Nottingham is also one of just a handful of cities that have been accredited with a Purple Flag award for the variety, safety and cleanliness of our after dark offering.

At the heart of the city is Old Market Square, dominated by the Council House and its formidable stone lions. It is the second largest public square in Europe after Trafalgar Square and a focal point for visitors and locals alike.

We offer a vibrant night scene with an eclectic mix of entertainment options including continental style piazza venues with al fresco dining, lively nightclubs and laugh-a-minute comedy clubs plus an abundance of real ale pubs such as the oldest pub in England 'Ye Olde Trip to Jerusalem,' the ghostly 'Ye Old Salutation' dating back to 1240, and the Bell Inn that was the favoured watering hole of Lord Byron himself!

You won't be short of places to eat in Nottingham with over 300 restaurants in the city centre alone offering a mouth-watering mix of international cuisines to suit all tastes and budgets. Nottingham is not only known for its fantastic nightlife, it is consistently ranked as a top UK destination for shopping, perfect for a spot of retail therapy. The city is home to international fashion designer Paul Smith, along with several other major labels all nestled alongside the well-known high-street stores and unique fashion outlets on offer.

If you don't fancy a spot of shopping then why not sample a slice of Nottingham's sporting life. The city has a long history of producing and developing sporting icons who have performed in some of the local iconic venues including Trent Bridge Cricket Ground, the City Ground home to Nottingham Forest FC, Holme Pierrpont Water Sports Centre and the National Ice Centre, home to Olympic Champions Torvill and Dean.
