PRELIMINARY & FINAL REGISTRATION

No entry forms will be available for registering to this event.

All registration process has to be done using the World Archery Registration & Entries Online System (WAREOS): <http://register.worldarchery.org>

A maximum number of **4 athletes per country** (host country included) are allowed to be registered into each category of the event.

Preliminary entries have to be done using WAREOS. In order to be able to use WAREOS, please enter this internet address in your web browser <http://register.worldarchery.org> and use your Username and Password that World Archery had assigned to each Member Association. After entering the WAREOS please go to "Online Registration" and register your athletes for this event.

A «WAREOS User Manual" can be downloaded in PDF format (English) from the same website.

For any questions regarding the WAREOS, please contact Ms Raheleh AHADPOUR (rahadpour@archery.org)

Starting date for online registration with WAREOS : **17 December 2013**
End of Preliminary registration: **13 March 2014**
End of Final registration: **20 May 2014**

Please pay attention to the stated deadlines. After the deadlines have passed, MAs will not be able to enter or update data in WAREOS anymore, and the system will be blocked. In this case, if a MA would like to change or proceed with the Final Registration process after the deadline, it is required to contact the World Archery office to Ms Raheleh AHADPOUR, World Archery Member Services Coordinator: rahadpour@archery.org).

Final entries processed after the deadline will have a penalty fee of 50 Euros per athlete to be paid to the OC at the event when collecting your teams accreditation.

Final registrations that differ by more than 4 archers from the preliminary registration or have been submitted after the preliminary deadline will have a penalty fee of 150 Euros to be paid to the OC at the event when collecting your teams accreditation.

In addition, any entry later than 3 days before the team managers' meeting for a World Archery World Cup or World Archery Championships will be refused if no preliminary entry and/or final entry was made before. This decision cannot be appealed by the teams and is fully in compliance with the current World Archery Rules and article 3.7.1.2. Entries after the deadlines are subject to penalties as clearly written in the rule book and the invitation documents of World Cups and World Championships.

A Member Association that has made final entries in WAREOS and does not participate will be invoiced for the number of entries entered in the system, unless the MA has informed World Archery and the OC in writing at least one week prior to the event that they are unable to attend.

As a final note, only Member Associations in good standing will be eligible to compete. This also means that any penalty fee for 2013 will have to have been paid prior to participation.
